Re: TFSC Complaint No. 20.19: Garcia, Daniel (DPS Lubbock; Firearms/Toolmarks)

Dear Mr. Garcia,

This letter is to inform you that the referenced complaint was dismissed by Commission staff for lack of any allegations of misconduct or negligence in connection with a forensic analysis in your case. This Commission has jurisdiction only over the actual analyses performed in criminal cases. It is not authorized to order law enforcement to provide copies of test results to any party involved in a case.

You are free to re-file a complaint in the future should you question the results of any forensic testing performed in connection with your case. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".
