Re: TFSC Laboratory Self-Disclosure No. 20.37; NMS- Horsham (Toxicology)

Dear Ms. Meadows,

At its July 24, 2020 meeting, the Commission voted to take no further action on the referenced self-disclosure, but requested that the laboratory re-issue its reports related to the eleven Texas cases affected as described in the self-disclosure materials you provided. Please kindly provide us with an update prior to our October 23, 2020 quarterly meeting with regard to the re-issuance of the reports.

If the laboratory identifies any material changes to the information provided regarding this self-disclosure, please notify commission staff as soon as possible. Feel free to contact the Commission's office with any questions you may have.

Thank you.

Sincerely,  
*Kathryn Adams*
