Re: TFSC Complaint No. 20.07: Green, Jayden (DPS Austin; GSR, Latent Prints)

Dear Mr. Green,

This letter is to inform you that the referenced complaint was dismissed by commission staff for failure to state an allegation of negligence or misconduct against an accredited forensic laboratory or licensed analyst.

The TFSC is the oversight body for forensic laboratories accredited by the State of Texas. It reviews allegations of negligence and/or misconduct against such laboratories and their analysts in connection with criminal cases. It has no authority to order any person or entity to disclose evidence in any criminal case. This is a purely legal matter and should be addressed by your legal representative.

Should any forensic analyses performed in connection with your case appear to have irregularities, you are free to file a new complaint with this commission. Thank you and let me know if I may be of any additional assistance.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".

Kathryn Adams
Commission Coordinator
