Re: TFSC Complaint No. 20.46 – Bobby Coker (Bode Technology; Forensic  
Biology/DNA)

Dear Mr. Coker:

At its October 23, 2020 quarterly meeting, the Forensic Science Commission (“Commission”) voted to dismiss the referenced complaint for failure to state a specific credible allegation of professional negligence or misconduct relative to the forensic analysis performed by Bode Technology in connection with your case. The complaint instead makes many broad claims unrelated to the forensic analysis in the case. Enclosed is a list of innocence clinics operating in Texas should you wish to submit your case for review.

Sincerely,

A handwritten signature in black ink that reads "Kathryn Adams".
