Re: Texas Forensic Science Commission ("TFSC") Complaint No. 20.63; Farmer,
Tristan (Austin PD, DPS Austin; Latent Prints)

Dear Mr. Farmer,

This letter is to let you know that the referenced complaint was dismissed by commission staff for failure to state any allegation of negligence or misconduct in connection with a forensic analysis in your case. In addition, TFSC has no authority to intercede in court cases or order retesting of evidence. These are matters of court that should be addressed by your legal representative.

You may file a new complaint should you gain specific information supporting allegations of negligence or misconduct concerning a forensic analysis in your case.

Thank you.

Sincerely,
Kathryn Adams
