Dear Mr. Manns:

This letter is to inform you that the referenced complaint was dismissed by Commission staff and referred to the Tarrant County Conviction Integrity Unit (“CIU”) for a review of the DNA mixture analysis performed in your case. DNA mixture reviews for Tarrant County are evaluated by the CIU. The Commission cannot order additional physical testing of evidence for particular items of evidence in any case; such testing must be ordered by a court with competent jurisdiction.

Requests for case status should be directed to Mr. Steven Conder, Tarrant County Criminal District Attorney, Conviction Integrity Unit, 100 E. Weatherford, Ft. Worth, TX 76196.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".
