Re: Texas Forensic Science Commission ("TFSC") Complaint No. 20.62; Flores, Ricky (Round Rock PD; Forensic Biology/DNA)

Dear Mr. Flores,

This letter is to let you know that the referenced complaint was dismissed by TFSC staff for failure to allege negligence or misconduct in connection with the performance of a forensic analysis in your case. TFSC has no authority to intercede in court cases, has no control over what evidence is or is not used in connection with a criminal conviction, and cannot force any court to order new or re-testing of evidence. These are matters of court that should be addressed by your legal representative.

Enclosed is a list of innocence clinics operating in Texas should you wish to submit your case for consideration. Thank you.
