Dear Ms. Watts:

At its April 16, 2021 meeting, the Commission voted to take no further action on the referenced self-disclosure given the root cause analysis and corrective actions taken by the laboratory and the fact that no Texas cases were affected.

Should the laboratory identify any material changes to the information provided in connection with this disclosure, please notify the Commission as soon as possible. Thank you and feel free to contact Commission staff with any questions you may have.

Sincerely,

Leigh M. Tomlin
Associate General Counsel
