RE: Forensic Science Commission Complaint #21.12 Horner, Glen Dale (Houston Police Department/Houston Forensic Science Center; Forensic Biology/DNA)

At its July 16, 2021 quarterly meeting, the Texas Forensic Science Commission voted to dismiss your complaint because concerns about disclosure obligations with respect to any DNA analysis performed by the Houston Police Department Crime Lab are outside the Commission's jurisdiction.

Please be advised that the Houston Forensic Science Center supplied the archived case records related to your case to the Chambers County District Attorney's Office and your last known defense attorney (Matthew Gott) on June 28, 2021. For your information, The State Bar of Texas lists Matthew Gott's address as 312 Main Street, Liberty, TX 77575.

Sincerely,  
*Kathryn Adams*
