Re: TFSC Complaint No. 21.16 Layfield, Rickey (SANE Paula Wilson, Trial Testimony)

Dear Mr. Layfield,

At the quarterly meeting on April 16, 2021, the Texas Forensic Science Commission (“Commission”) voted to dismiss the referenced complaint because the testimony of the sexual assault nurse examiner (“SANE”) was found to be within the bounds of acceptable testimony. The Bonnell affidavit and the SANE’s testimony were carefully reviewed by a member of the Commission who is highly qualified in the field.

The Commission’s jurisdiction is limited to forensic analysis which is defined as an “expert examination or test on physical evidence for the purpose of connecting the evidence to a criminal action.” Any other potential issues in your case would require assistance from an attorney. Enclosed is a list of innocence clinics operating in Texas should you wish to submit your case for review.

Thank you.

Sincerely,  
*Kathryn Adams*
