Re: Texas Forensic Science Commission ("TFSC") Complaint #21.36: Lee, Charles  
(DPS Austin; Forensic Biology/DNA)

Dear Mr. Lee,

This letter is to inform you that commission staff dismissed the referenced complaint for failure to state any allegation of negligence or misconduct in connection with a forensic analysis performed in your case.

Your allegation that swabs were collected by law enforcement agents from you at different times and that certain information was not provided to you are not part of a forensic analysis, and therefore fall outside this commission's jurisdiction.

Thank you.

Sincerely,

A handwritten signature in black ink that reads "Kathryn Adams". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
