Re: TFSC Complaint #19.36: Wallace, Misty (Texas Alcohol & Drug Testing; Hair
Follicle Drug Test)

Dear Ms. Wallace,

At its October 25, 2019 quarterly meeting, the Commission voted to dismiss the referenced complaint because the analysis in the case was performed principally for the purpose of civil and/or administrative litigation (Child Protective Services) that is outside the jurisdiction of this commission. This commission's jurisdiction extends only to analyses performed in accredited laboratories for the primary purpose of determining the connection of evidence to a criminal action.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Adams".
