Re: TFSC Complaint No. 19.44: Scott, Joseph P. (DPS Waco; Forensic Biology)

Dear Mr. Scott,

At its January 31, 2020 quarterly meeting the Commission voted to dismiss the referenced complaint. The decision was based upon a lack of factual allegations of negligence or misconduct on the part of the laboratory, and the fact that the case was already submitted for DNA recalculation pursuant to the Commission's Texas DNA Mixture Retroactive Case Review.

Your complaint was forwarded to Mr. Bob Wicoff, the coordinator for the case review. He is following up on your case status with the Bell County District Attorney's Office. You will receive a letter from the review team when results are received. Requests for case information should be directed to the review team at the following address: DNA Review, P.O. Box 283, Houston, Texas 77001.

Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".

Kathryn Adams  
Commission Coordinator
