- After clicking 'Submit Application' you will be taken to the Confirmation page. You may see a message that your application is submitted but not considered complete. This is standard language just to let you know it is not considered complete until staff reviews it. If you've completed the application and uploaded any required documentation, you can **Logout** at this point.
- **Naming Files to be Uploaded.** Please ensure **to name scanned files in a manner that clearly identifies the item being uploaded.** For example, if uploading a fingerprint receipt, a good name would be "FP Receipt", or "FP Receipt for Jane Doe". A bad name would be "JBCC", "123456789.jpg".

Basic How To's:

1) How to Apply for a New Certification or Registration:

On the main page for the [online system](#), click the link for a **First Time Applicant** and follow the instructions accordingly from there. You must complete the application for new certification or registration and pay any application fees as well.

a. Court Reporter Applicants Only:

- i. Do **not** complete the exam application using the JBCC online licensing system. You can only apply to test via the exam vendor (i.e., TCRA)
- ii. If applying for Provisional or Apprentice certification, you must select that from the Certifications options displayed on the application. Otherwise, if applying for full certification, you'd select Certified Shorthand Reporter from the options displayed.

b. Guardianship Certification Applicants Only: If applying for Provisional certification, you must select Provisional Guardian from the 'Certifications' options displayed on the application. Otherwise, if applying for full certification, you'd select Certified Guardian from the options displayed.

c. If you already have a profile under one program and are seeking to apply for New Certification or Registration under a different program: (Example: You have a profile under the court reporter program but would also like to apply for certification as a process server.)

- i. Login to your existing profile.
- ii. On the "**Welcome to Your Home Page**" screen, click on the **Click Here** link "**To switch your login session to a different program for Texas, Judicial Branch Certification Commission**".
- iii. Under **Login Options** select the program you wish to apply under (i.e., *Guardianship Certification, Licensed Court Interpreter, Court Reporter Certification, or Process Server Certification*)
- iv. Click **Next**
- v. You will be taken to the Profile Home page for the certification you selected.
- vi. Click on the menu item you need (i.e., *Renew, Update Profile, View Pending Applications, etc.*)
- vii. Follow instructions accordingly from there.
- viii. Doing this will ensure you always only have **one** profile in the licensing system, and the login name and password for that profile will work regardless of which program you need to access.

2) How to Apply to Renew:

Log in to your online profile and click the **Renew** link on the **What Do You Want to Do** menu of your home page.

3) How to Apply for CE Approval:

Log in to your online profile and click the **CE Approval Request** link on the **What Do You Want to Do** menu of your home page. Note: If the course is already approved (i.e., it already has a JBCC program #), you do not have to apply for CE approval.

A course outline must be submitted with each request for approval as well as copies of the speaker bios. The course outline must contain the following information:

- a. Describe course content (i.e., detailed description of each session of the program)
- b. Indicate the time allotted to each segment (i.e., the start and end time of each session of the program)

for in-person courses or using quarter hour increments for online courses).

c. The date and location of the course

d. Any special category sessions must be clearly identified on the outline as well (i.e., Ethics, TX Rules, or Legislative Update).

If you have multiple resumes to submit, please upload them as one complete file versus multiple individual files. For example, scan and upload all bios as one complete pdf file.

When entering the course location, you must do the following:
