PROCESS AFTER YOU COMPLETE THE PETITION

If you are eligible for an order of nondisclosure under Section 411.0725, the process for obtaining an order under the section is as follows:

First, be sure to wait the requisite time, if any, before filing the petition, and check with the court clerk to obtain the total amount that you will have to pay when you file the petition, unless you are submitting a **Statement of Inability to Afford Payment of Court Costs**. Next, be sure to complete the correct petition according to the instructions, and after you have done so, print both the petition and the proposed **Order of Nondisclosure**. In most courts, you will have to submit a proposed order with your petition when you file it. The judge will complete the order if the judge grants your request.

You must file the petition in the court that placed you on deferred adjudication.

After you file the petition, the clerk will send it to the court, and the court will notify the prosecutor.

A hearing is required only if the prosecutor requests one.

If a hearing is scheduled, the court will notify you. If there is a hearing, the court may ask questions regarding your eligibility to receive the order. After the hearing, if the court finds that you have satisfied the requirements of the statutes (Government Code Sections 411.0725 and 411.074) and issuance of the order is in the best interest of justice, the court will grant your request for the order.

If the court does not hold a hearing, the court will review your petition to determine

whether an order of nondisclosure shall issue. The court must find that you satisfy the requirements of Sections 411.0725 and 411.074 and issuance of the order is in the best interest of justice before the court may grant your request.

The court will have access to your criminal history record information and will use it to determine your eligibility for the order.

If the court grants the order, the clerk will send a copy of the order to DPS no later than 15 business days after the order issues. Upon receiving the order, DPS will have 10 business days to seal, not delete, the criminal history record information that is subject to the order and forward a copy of the order to the state and federal agencies listed in [Government Code Section 411.075\(b\)](#). It is important for you to know that some agencies, including law enforcement agencies, will still have access to the information, although the information is sealed. You will find a list of such agencies at [Government Code Section 411.0765](#).
