Re: Texas Forensic Science Commission ("TFSC") Laboratory Self-disclosure No. 22.41 NMS
Labs (Toxicology)

Dear Ms. Watts:

At its October 7, 2022 quarterly meeting, the TFSC voted to take no further action on the referenced disclosure given the corrective actions taken by the laboratory and because the disclosure concerns rules and legal compliance in another state.

Should the laboratory identify any material changes to the information provided in connection with this disclosure, please notify the Commission as soon as possible. Thank you and feel free to contact Commission staff with any questions you may have.

Sincerely,
Leigh M. Tomlin
