Re: Texas Forensic Science Commission (“TFSC”) Complaint 22.42 August, Kenneth (None; Crime Scene)

Dear Mr. August:

At its October 7, 2022, quarterly meeting the TFSC voted to dismiss your complaint for failure to allege professional negligence or misconduct related to the forensic analysis of any physical evidence.

The TFSC is the state regulatory agency for Texas accredited crime laboratories and does not have jurisdiction over claims regarding perjurious accomplice witness testimony or over requests for post-conviction testing of evidence. These matters should be handled by your legal representative.

A copy of your complaint was forwarded to the Tarrant County District Attorney’s Conviction Integrity Unit for review. Enclosed please find a list of innocence clinics that may be able to assist you with the pursuit of your claims.

Please contact us with any questions or concerns. Thank you.

Sincerely,
Robert Smith
