Re: Texas Forensic Science Commission ("TFSC") Complaint No. 22.21: Webb, Andre (Austin Police Department; Forensic Biology/DNA)

Dear Mr. Webb:

At its July 22, 2022 quarterly meeting, commissioners voted to dismiss the referenced complaint due to lack of jurisdiction. The TFSC's jurisdiction extends only to accredited crime laboratories and their licensed analysts. Your complaint alleges police misconduct which is outside the purview of this commission to investigate.

Additionally, complaints making general blanket allegations that case evidence was falsified or planted with no supporting information or witnesses is not sufficient to warrant an investigation. You may file a complaint in the future should any evidence against a crime laboratory becomes available.

Thank you.

Sincerely,  
*Robert Smith*  
Senior Staff Attorney
