Re: Texas Forensic Science Commission ("TFSC") Complaint No. 22.31; Wimberly, Christopher
(DA Henry Garza; Eyewitness Lineup)

Dear Mr. Wimberly:

This letter is to inform you that the referenced complaint was dismissed by TFSC staff for failure to allege professional negligence or misconduct related to a forensic analysis of physical evidence in your case. The TFSC is the state regulatory agency for Texas accredited crime laboratories and their licensed analysts.

An eyewitness lineup used in a criminal case investigation is not considered a "forensic analysis of physical evidence" and was not conducted at an accredited crime laboratory. Additionally, the TFSC has no authority over law enforcement or attorneys. Complaints against attorneys should be filed with the State Bar of Texas at the following address: Texas Law Center, 1414 Colorado St., Austin, TX 78701.

Enclosed is a list of innocence clinics operating in Texas should you wish to submit your case for consideration. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".
