Re: Texas Forensic Science Commission ("TFSC") Complaint No. 22.55: Barley,
Remecos (No laboratory; Evidence Collection)

Dear Mr. Barley,

This letter is to inform you that the referenced complaint was dismissed for failure to allege professional negligence or misconduct related to the forensic analysis of physical evidence. The complaint concerns evidence collection by law enforcement. The TFSC's jurisdiction is over the forensic analysis of physical evidence related to criminal cases; it has no jurisdiction over law enforcement or authority to direct evidence collection.

Thank you.

Sincerely,

Kathryn Adams
Commission Coordinator
