Re: Texas Forensic Science Commission ("TFSC") Complaint No. 22.57: Glover;
Woodrow (SWIFS; Forensic Biology/DNA)

Dear Mr. Glover,

This letter is to inform you that the referenced complaint was dismissed because this case was included in the Commission's DNA Mixture Retroactive Case Review. The DNA Mixture team members concluded that no additional DNA testing was warranted due to the case facts which included a single source DNA profile consistent with the victim located on evidence in your possession. For further information regarding the review of your case, contact DNA Review, PO Box 283, Houston, Texas 77001, Attn: Bob Wicoff.

Thank you.

Sincerely,

A handwritten signature in black ink that reads "Kathryn Adams".

Kathryn Adams
Commission Coordinator
