Re: Texas Forensic Science Commission ("TFSC") Complaint No. 22.60; Taylor, Keith
(Dr. Richard E. Coons; Forensic Psychiatry)

Dear Mr. Taylor,

This letter is to inform you that the referenced complaint was dismissed by TFSC staff for failure to allege professional negligence or misconduct related to the forensic analysis of physical evidence in connection with a criminal case.

"Forensic psychiatry" does not fall within the definition of a "forensic analysis" over which the TFSC has jurisdiction as defined in Tex. Code Crim. Proc. §38.35(a)(4). "Forensic analysis" is defined as an expert examination or test performed on physical evidence.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Adams".

Kathryn Adams
Commission Coordinator
