Re: Texas Forensic Science Commission ("Commission") Laboratory Self-disclosure No. 22.53: Tarrant County Medical Examiner's Office (Latent Prints)

Dear Ms. McCarty,

At its April 14, 2023, quarterly meeting, the Commission voted to take no further action on the referenced laboratory self-disclosure given the root cause analysis and corrective actions by the laboratory, including an independent review of all prior inconclusive results reported by the subject analyst. Please forward the results of the independent review when they are available.

Thank you and please feel free to contact Commission staff with any questions or concerns.

Sincerely,

Leigh M. Tomlin
