Re: Texas Forensic Science Commission ("Commission") Laboratory Self-disclosure  
No. 23.04; University of North Texas Health Science Center (Latent Prints)

Dear Ms. Capt:

At its April 14, 2023 quarterly meeting, the Commission voted to take no further action on the referenced laboratory self-disclosure given the root cause analysis and corrective actions by the laboratory, and because the subject anthropological analysis was for an autopsy unrelated to a criminal action.

Thank you and please feel free to contact Commission staff with any questions or concerns.

Sincerely,

*Leigh M. Tomlin*
