Re: Texas Forensic Science Commission ("Commission") Laboratory Self-disclosure
No. 23.08; Fort Worth Police Department Crime Laboratory
(Firearms/Toolmarks)

Dear Dr. Setser:

At its April 14, 2023, quarterly meeting, the Commission voted to take no further action on the referenced self-disclosure given the root cause analysis and corrective actions by the laboratory. In addition, the proficiency testing and inconclusive reporting issues with general applicability raised in this self-disclosure will be addressed in the investigative report to be published in response to the Nanon Williams complaint (TFSC Complaint No. 21.27).

Thank you and please feel free to contact Commission staff with any questions you may have.

Sincerely,

Leigh M. Tomlin
