Re: Texas Forensic Science Commission ("Commission") Laboratory Self-disclosure
No. 23.13; Texas Dept. of Public Safety – Houston (Trace Evidence)

Dear Mr. Mills:

At its April 14, 2023, quarterly meeting, the Commission voted to take no further action on the referenced self-disclosure given the root cause analysis and corrective actions by the laboratory, and the fact that the analyst no longer works filament cases.

Thank you and please feel free to contact Commission staff with any questions or concerns.

Sincerely,

Leigh M. Tomlin
