Re: Texas Forensic Science Commission (“TFSC”) Complaint No. 22.40; Nix, Meda (DPS Austin; Breath Alcohol).

Dear Ms. Nix:

At its April 14, 2023, quarterly meeting, the TFSC voted to dismiss the referenced complaint based on the findings of the internal investigation conducted by the Texas Department of Public Safety Office of Inspector General that allegations made therein are unfounded. From a jurisdictional perspective, the complaint’s allegations concerned human resources issues that do not relate to professional negligence or professional misconduct in connection with the forensic analysis of physical evidence and are therefore outside the purview of the TFSC.

Please contact us with any questions or concerns. Thank you.

Sincerely,
