Re: Texas Forensic Science Commission ("TFSC") Complaint No. 23.16 Lovett, Lamar (Austin Police Department Crime Lab, DPS Austin; Forensic Biology/DNA)

Dear Mr. Lovett,

At its April 14, 2023, quarterly meeting commissioners voted to dismiss the referenced complaint. Based upon documents obtained from the Travis County District Attorney's Office Conviction Integrity Unit, allegations made in the complaint omit key information, including post-conviction forensic DNA testing that indicated your DNA profile could not be excluded as a contributor to the DNA mixture profile obtained from the vaginal swab.

Enclosed is a list of innocence clinics should you wish to submit your case for consideration. Thank you.

Sincerely,

Robert Smith
