<i>(Set Amounts)</i>	
(1) Local Consolidated Civil Fee	\$213.00
(2) State Consolidated Civil Fee	\$137.00
Total Filing Fees	\$350.00

NOTE: *If the plaintiff in a delinquent tax case is “a taxing unit,” the plaintiff does not have to pay court costs, including any fees for service of process or electronic filing, an attorney ad litem, arbitration, or mediation, and may not be required to post security for costs. See [§ 33.49](#), Tex. Tax Code. “Taxing unit” means a county, an incorporated city or town (including a home-rule city), a school district, a special district or authority (including a junior college district, a hospital district, a district created by or pursuant to the Water Code, a mosquito control district, a fire prevention district, or a noxious weed control district), or any other political unit of this state, whether created by or pursuant to the constitution or a local, special, or general law, that is authorized to impose and is imposing ad valorem taxes on property even if the governing body of another political unit determines the tax rate for the unit or otherwise governs its affairs. See [§ 1.04\(12\)](#), Tex. Tax Code. (NOTE: Calculating the filing fees in a delinquent tax case is not an empty exercise because often the filing fees are assessed as a court cost against an unsuccessful defendant.)*

I.A.4. Foreign Judgment

A person filing a foreign judgment shall pay the clerk the amount provided by law for filing the case in a court in this state. See § 35.007, *Civ. Prac. & Rem. Code*.

They differ from “motions for judicial review of lien/claim document,” which are filed under Chapter 51, Tex. Gov’t Code. **Do not assess this fee on motions filed for judicial review under subchapter J of Chapter 51 of the Government Code.***

NOTE: Do not assess this fee on orders issued under § 411.072, Tex. Gov't Code (Automatic Orders of Nondisclosure). Defendants do not have to file a petition for an order under § 411.072, as courts are required by law to issue the order if a defendant meets the requirements of the section. **OCA's Model Letter Requesting an Order of Nondisclosure Under § 411.072** is not a petition, so filing fees should not be assessed when the letter is presented or filed.

Courts are mandated to issue this order if the petitioner meets the statutory requirements. **OCA's Model Letter Requesting an Order of Nondisclosure Under § 411.072** is not a petition, so filing fees should not be assessed when the letter is presented or filed.*
