Fourth Court of Appeals to Hear Oral Argument

The Fourth Court of Appeals will hear oral arguments in one appeal on Wednesday, December 10, 2014, beginning at 9:00 a.m., before the following panel of justices: Justice Rebeca C. Martinez, Justice Patricia O. Alvarez, and Justice Luz Elena D. Chapa.

The following case will be presented:

Anderson Energy Corp, et al. v. Dominion Oklahoma Texas Exploration & Production, Inc., et al. - On direct appeal, the issues in this breach of contract suit are whether the trial court erred in (i) defining the "Contract Area" covered by the Joint Operating Agreement as limited only to the interests owned by the original parties on April 1, 1980, and (ii) ruling the Joint Operating Agreement was terminable at will. The conditional cross-appeal re-urges a statute of frauds defense and two affirmative defenses, waiver and laches, that were rejected by the trial court on summary judgment.

The oral arguments will be held in the Fourth Court's Courtroom, Cadena-Reeves Justice Center, Third Floor, 300 Dolorosa, San Antonio, Texas.
